

About the event:

This exhibit takes place on Spring Cleaning Day, when thousands of people are in town to shop, recycle, learn and have fun. Artists in all mediums are invited to exhibit work relating to the themes of recycling, natural materials, nature or the environment.

MAG is sponsoring artist demos, an art supply swap, door prizes, live music and kid's art activities throughout the day, in addition to the many Earth Day activities provided by the City of Manassas.

Humans in the environment are acceptable, but no nudes or portrait art.
- This event will be held in a public facility; please use judgement in selecting works for exhibit. **The show organizers reserve the right to reject any work which does not adhere to the theme of the exhibit, or does not meet community standards for content.** (i.e., no nudes, no graphic violence, drug use, etc.)

Location of exhibit: Harris Pavilion, 9116 Center Street, Manassas. This is a covered facility; however, it can get windy! MAG will be erecting some tents to help block the wind; even so, **please secure your displays.**

ART SUPPLY SWAP!

Since last year's art supply swap was successful, we're doing it again! If you have surplus art supplies to get rid of, bring them to the show. We'll have an area where you can drop them off, and pick up other supplies someone else didn't want. We already have several pieces of surplus mat board, and some other supplies. **FREE!**

Special opportunity for participating artists: MAG would like images of your work to help us promote this event.

You may submit either color or b/w photographs of your work (at least 4x6"), or jpegs on CD (high resolution, up to 4x6", and 300 dpi). You can also email images to myarcadia@juno.com, or refer us to your website.

Please include title and medium for each image. Photos/cds cannot be returned.

Thank you!
